CLERK'S OFFICE**

**NOTICE OF FILING  
DOCKET NO. 2018-32-C**

Joint Application of Birch Communications, Inc. and Birch Telecom of the South, Inc. for Approval of Corporate Restructuring

Birch Communications, Inc. (Birch) and Birch Telecom of the South, Inc. (Birch Telecom) have filed with the Public Service Commission of South Carolina (the Commission) a Joint Application for authority to undertake an internal corporate reorganization, which will result in the transfer of certain assets and customers from Birch to Birch Telecom, and from Birch Telecom to Birch. The Joint Application was filed pursuant to S.C. Code Ann. §§58-9-280, 58-9-300, and 58-9-310.

In a Joint Notice dated November 30, 2017, Birch and Birch Telecom explained that they would implement an internal corporate reorganization to segregate their residential and single-line business customers from their large business and cloud service customers with Birch Telecom serving the residential and single-line business customers and Birch serving the large business and cloud service customers. To accomplish the internal reorganization, any residential and single-line business customers currently served by Birch in South Carolina will be assigned to Birch Telecom. Similarly, any large business and cloud service customers currently served by Birch Telecom in South Carolina will be assigned to Birch. Upon consummation of the Fusion Transaction, Birch Telecom will be spun-off to a newly formed holding company, Lingo Communications, LLC (Lingo), which will be owned by the existing owners of Birch and Birch Telecom.

The Application states that both companies currently operate under the "Birch Communications" name, and customers will continue to receive service from "Birch Communications" in the same way they receive service today: the same rates, terms, and conditions.
